KLINGON FACTIOD:

The Klingon ship, Konos-1 was named after the President of the USA's airplane, Air Force-1.

BONUS: *Speaking of presidents, Chancellor Gorkon was fashioned after our 16th president Abraham Lincoln.*

Maximum Overkill Special is printed for the entertainment purposes of the crew of **The Empire** chapter, the **IKV Black Demon**. **Maximum Overkill** was suppose to be printed once a year, but that didn't happen, so sue us. If you inclined to send something to contribute to future issues, (such as art, stories, reports, or anything else), we assume you are giving permission for print unless written otherwise.

Star Trek, Star Trek: The Next Generation, Star Trek: Deep Space Nine, Star Trek: Voyager, the Star Trek movies, and the "K" word are all exclusive properties of big brother: CBS/DESILU/Paramount/VIACOM.

No infringement is meant on our part. Wait, is *Desilou* still around?

FROM THE CAPTAIN

nuqneH. Wow, it's been a while since I made a newsletter! The good news is that I have a new program and scanner to use that will make it easier for me to build it and any future issues we may put out.

There is work on a new **IKV Black Demon** website, one with an address like ikvblackdemon.com or something along the lines. I'm still learning how to piece together

HTML code, I really wish they offered this when I was in college. It's a pain in the ass to do. So I won't tease you with a date as I don't know when this will happen.

Speaking of web sites, check out The Empire's new online site, <http://www.empireonline.org> There you can meet with other Klingons from around the world and be a part of a group that knows what Klingon fans want out of their experience!

Can you believe it? It's been seven (7) years since we launched the **IKV Black Demon** chapter here in the DFW area. We've grown to a whopping number of members over the years, spun off a listening post, caused some irritation with the local feddies, helped found a new club, and all the while had fun doing it all. Not to mention that our meetings and gathering are still going strong. I hope the chapter sees many more years to come.

So what is this issue about? Well mainly it's to inform you, the curious reader, about the going-ons with The Empire. But we have cleverly disguised it as a newsletter showcasing the Klingon fan chapter, the **IKV Black Demon**. In no way are you obligated to join, but you should set your sights to our online presence, we have a lot to offer you, fellow warrior.

NEWS FROM THE EMPIRE

Greetings fellow members of the Empire, Colonel K'nagh here reporting from the halls of the council chambers. The Imperial council members have just convened and we have a lot of exciting news to report to you, the citizens of the Empire. So let's get to it.

CIVILIAN AFFAIRS

The office of Civilian Affairs has been filled! Everyone congratulate Stan Reneau (Commander qorILS of House Quwit-taj) on becoming the "Planetary Governor of Qo'noS". This will be the positions official title. Stan will oversee our colonies, provide information and whatever support is available to aid them in their continued operations.

BAR KEEPERS GUILD

Yup, here comes the Guild we've all been waiting for! The fabulous Bob Pardee will be organizing and heading up this new hot Guild. Contact Bob at ktarn@mad.scientist.com. There's much more to the guild than mere booze recipes! Bob will have info to help ships and colonies start their own party rooms - providing helpful tips for operating and dealing with the public, and ways to promote your party at cons.

NEWSLETTER - Qo'noS QonoS

We are still looking for a newsletter editor. The Military Commander transmissions will substitute until one is found. (At least we can get information, news and updates to our military chapters through it) Since we talked about making the newsletter a bimonthly publication, this bimonthly report should suffice until an editor is found. Originally I was going to put out the first issue of Qo'noS QonoS then pass it on to some noble, glory seeking warrior. But due to constraints in my time it's best to look for someone who can take it on from the beginning. I can offer some support, if needed, but a major production will be beyond my capabilities.

Well that's it for this time boys and girls!

EMPIRE OPERATIONS

POP TABS

At the Dover Peace Conference, there will be a pop tab collection for charity. All chapters attending are invited to donate pop tabs. The chapter with the most tabs wins something cool (I have no idea what, but it's probably worth the effort! Not to mention the glory you'd get out of this!) If you are attending, bring all the tabs you have! If you can't attend but would like to donate, you can send the tabs in your name with a friend, or if you like to get to me (K'nagh) then I'll take them for you. This is totally and completely optional!

KLINGON DAY OF HONOR

Commander Khar-Ton of the Klingon Assault Group has proposed an annual Klingon celebration based on the "Day of Honor" as read in the Trek books. This even will cross all club boundaries - it is intended that all Klingon clubs come together in celebration on this day. They are asking other Klingon clubs and independent chapters to participate in what they hope will become an annual Klingon holiday. As we are putting the final touches on bringing The Empire into high gear, we will not be able to make as impressive a showing as we would like. So, at this time, it is left to the discretion of each individual chapter as to whether or not you wish to participate. The Empire WILL recognize this event. If you'd like more info, contact me, your chapter commander, or check out the KAG website at: www.kag.org/events/doh.htm

Jokes • Jokes • Jokes • Jokes • Jokes • Jokes

There are four kinds of sex :

HOUSE SEX - When you are newly married and have sex all over the house in every room.

BEDROOM SEX - After you have been married for a while, you only have sex in the bedroom.

HALL SEX - After you've been married for many, many years you just pass each other in the hall and say "KHEST YOU"

COURTROOM SEX - When your wife and her lawyer khest you in the divorce court in front of many people for every darsec you've got.

So one time I was just thinking of stories to tell and I thought of one. I asked my friends "do you guys remember the first time". "Oh hell yeah" they all say so I'm telling them about mine.

I say "Well the first time I had sex was in the grass in a vacant field. It was a perfect day and we were just going at it for hours and then suddenly her mom comes up to us out of no where. So I'm like 'oh shit!'"

"Holy shit! What did she do?!" asks my friend

I reply "The first thing that came out of her mouth was baaaaaaaahhh!"

How do you drive a Paed crazy?

Stick him in a round room and tell him to piss in the corner.

NOT A JOKE!

DID YOU KNOW WE STILL MEET?

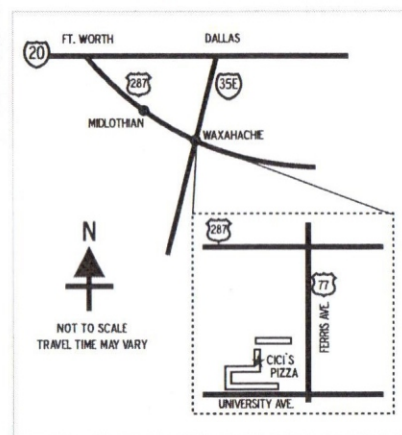

Yes, that's right, we still have meetings at CiCi's pizza. True that there have been a few times we have moved the meetings else where due to over crowding, but we have maintained a presence at the Waxahachie and Corsicana CiCi's Pizza. Remember, it will only cost you \$5 to stuff your gob while we talk about Klingon and Star Trek related discussions. Not to mention there is a game room we can challenge each other or take on the local children who want to run with the big dogs.

So far we haven't had much hassle with the management at either location, but we have had a few people accuse us of coming in and not paying for food. There is no honor in stealing and we would never take advantage of the honor system. There have been many times that a few of us have footed the bill for each other due to being strapped for cash. Those warriors know who they are and they should hold their heads high for being a friend to their fellow members.

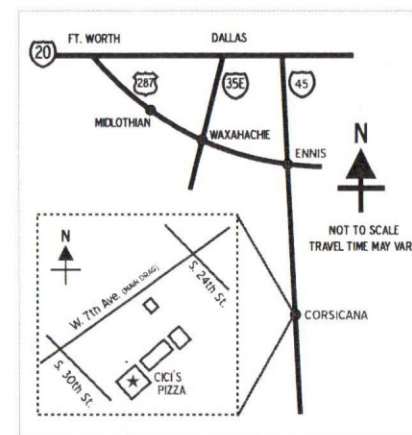

So I invite you to come out to one of the locations posted below. Even though we have 2 hours listed as out meeting times, we normally don't go past an hour. The second hour is for us to spill over for discussions and such. Usually, after the meeting is adjourned, we start to migrate to the game room. If you need better directions to either place, you can contact us through our website:
http://www.geocities.com/ikvblack_demon/demonhome.html
Or you can send an e-mail to us at: IKVBlackDemon@HoTMaiL.com

We look forward to seeing new faces at our next meeting. Bring your appetite along with your honor. QA'PLA!
